PRESS RELEASE

The Minister of Public Health, Dr MANAOUA Malachie informs the public that, as part of efforts to strengthen health security and fight against counterfeit medicines and the illicit trafficking of pharmaceutical products, a decision has been made to restrict the entry of medicines and other pharmaceutical products into the country to maritime and air transport only.

This measure aims to guarantee the quality, traceability, and safety of medicines made available to the public, and to effectively fight against counterfeit medicines or those introduced out of regulated channels.

Stakeholders in the pharmaceutical sector are urged to strictly comply with these new regulations.

Dr MANAOUA Malachie counts on the civic responsibility and cooperation of everyone for the enhanced protection of public health.

The Minister of Public Health,

Dr MANAOUA Malachie
